Comments –

- “Why? We arent sure about long term use of Si Lounge”
- “Would it help to add value to Si-Lounge and would Marinist look at the value when deciding what to do with Si- Lounge building?”
- “Madeleine room has all the tech we are looking for- 4 hours -\$40 rental”
- “We could rent that room every month for 35 years at that price”
- “Wait a year to make any decisions”
- “Look at laptops/portable screens/projector/smaller TV screens”

Working from a smaller, \$10,000, budget was suggested.

Decision was made to look at other equipment options and get pricing for purchasing and installing it ourselves via Mt St John Facilities prior to any budgeting and approval.
